

## **Louth: Antimicrobial Guidelines - Louth Hospitals: Antimicrobial Guidelines: Notifiable Diseases**

See [HPSC Notifiable Diseases List](#) for full list of notifiable diseases.

The medical or surgical team under which the patient is admitted must notify Public Health of all clinically suspected or proven cases of infectious diseases on the list using the [HPSC Standard Notification Form](#) .

Paper copies of the form may be found on the ward or in the Regional Infection Prevention and Control Guidelines 2016.
