

## **Louth: Antimicrobial Guidelines - Louth Hospitals: Antimicrobial Guidelines: Restricted Antimicrobials**

**Meropenem, ertapenem, linezolid, fidaxomicin, daptomycin and ambisome** are restricted antimicrobials in OLOL and LCH. Unless specifically recommended by this guideline, please contact Consultant Microbiologist or ID Consultant prior to prescribing restricted antimicrobials. See also LH Restricted Antibiotics Policy on HCI-knowledge-RCSI HG.
